Addressing a non-funding status due to not providing sufficient documentation to determine the eligibility of the INTERNAL CONNECTIONS service provider

For the past two years our school has contracted services from an individual to file our applications. When she filed Form 471 the Internal Connections the service provider we had chosen only had a temporary SPIN number. Our Form 471 was filed with the SPIN # 143666666 and service provider name of SLD Interim. The form was never updated with the correct information which is: SPIN 143030948 Company Name MWMPD Corp.

We were not aware of this problem until we were notified by a representative of the Texas Education Agency. At that point we also realized that our Form 486 has also not been filed. We are requesting that MWMPD Corp. SPIN # 143030948 be added to FRN# 1485974 as an eligible vendor. The original requested amount was \$22376.70.

As a corrective action we will no longer be using the services of our previous contracted services person.

If you need more information please contact Charmaine Constantine or Deborah Mercer at 713-667-6145.

Thank you,
Deborah Mercer
